

Twelfth Step Within Workshop

Twelfth Step Within Day is a time to share our recoveries by extending our hands and hearts to those within our Fellowship suffering from this deadly disease. Come and carry the message to the compulsive eater in OA who still suffers.

You should attend if:

You have been in OA a while but are struggling

You want to take out insurance against relapse

You want to hear experience, strength, and hope

You want to share your experience, strength, and hope

Bring an OA friend you haven't seen at meetings for a while.

No matter how much we have slipped and slid, the Twelve Steps and the OA Fellowship are here for us.

Date: 12/12/2014 Time: 6:30 to 8:30 PM
